"For education is both the foundation and the unifying force of our democratic way of life - it is the mainspring of our economic and social progress - it is the highest expression of achievement in our society, ennobling and enriching human life. In short, it is at the same time the most profitable investment society can make and the richest reward it can confer."

KINGSFORD'S FIRST FOREIGN STUDENT

In 1946 after an honorable record aiding wounded soldiers in both World Wars, the American Field Service embarked on an international scholarship program thus, working for understanding between the peoples of the world.

Under this program after months of correspondence and numerous applications, Charlotte Sundgren of Stockholm, Sweden was notified that her new home for the 1963 year would be Kingsford, Michigan.

Charlotte now resides with her "Mom and Dad," Mr. and Mrs. Willard Miller and their daughters, Sally and Sue.

As our first foreign student, Charlotte has greatly impressed the faculty and student body of Kingsford High School as well as everyone she has come in contact with.

Charlotte at home with her American family. Mr. Willard Miller, Sue, Mrs. Miller, Sally, and Charlotte.

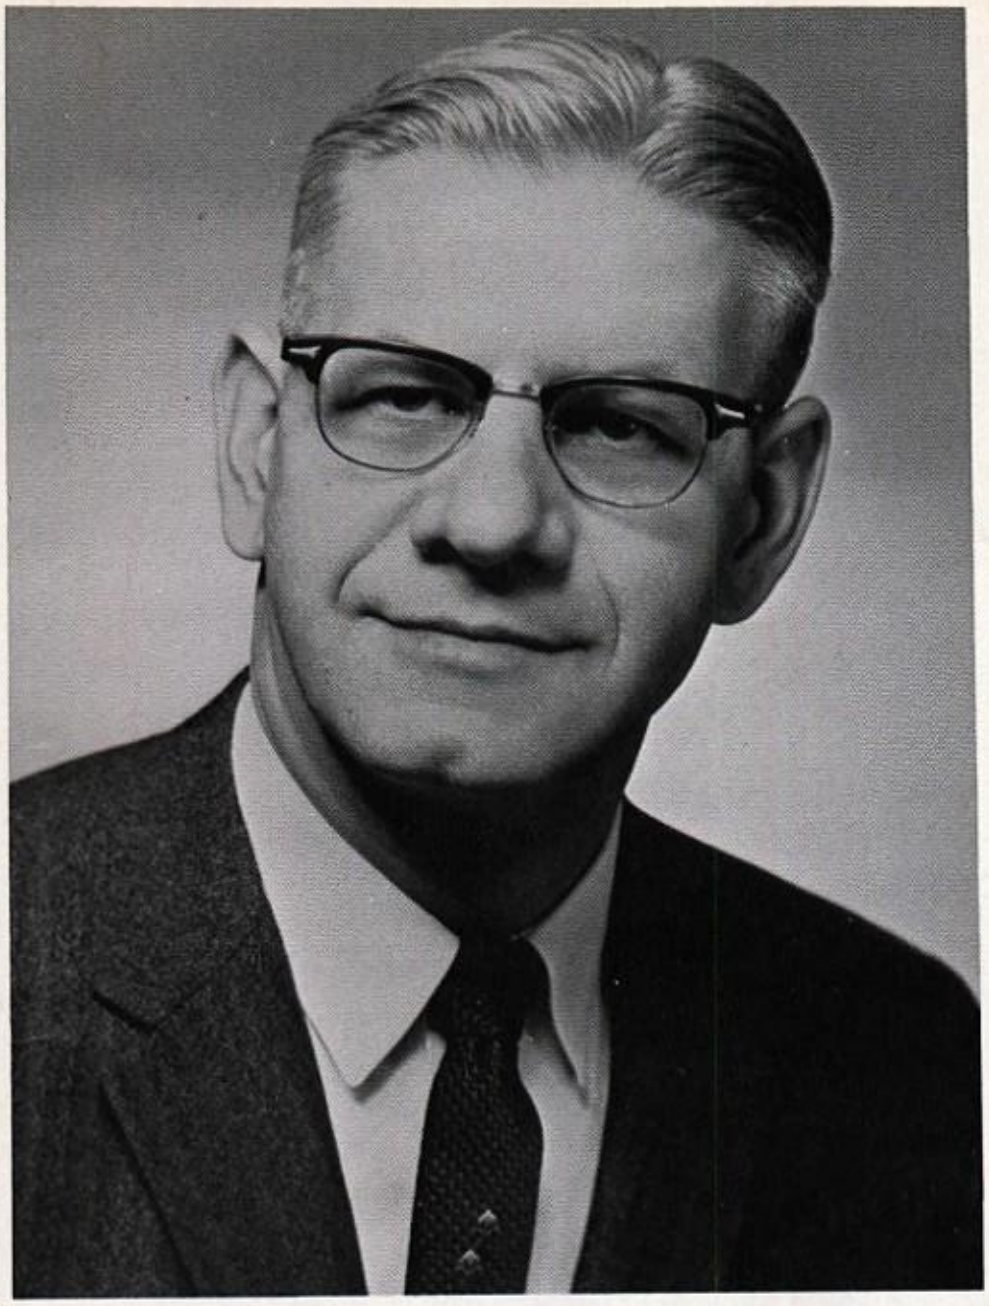
MR. AMERICO FIORUCCI
Biology - Chemistry
Advisor: F. T. A.

Mr. Americo Fiorucci, a prominent member of the Kingsford High School teaching staff, was given the highest state award attributed to an instructor of the biology field. The selection committee of the National Association of Biology Teachers has chosen him for the 1962 MICHIGAN OUTSTANDING HIGH SCHOOL BIOLOGY TEACHER AWARD.

This award is a tribute to the years of conscientious, dedicated teaching that Mr. Fiorucci has put forth to aid his students in both academic and extracurricular activities.

In national competition Mr. Fiorucci ranked among the highest contenders.

Terese Langsford, President F. T. A., presents Mr. Fiorucci with his certificate.



Dear Students:

One of the rewards of being a teacher is seeing young minds develop. In our modern age it is imperative that each of you develops to the best of his capability. The very foundation of our way of life may rest on the shoulders of one of you. I watch with pride as you grasp each new idea. I hope I will be just as proud of you in the future.

My sincere wish is that each of you has a happy and successful life.

Albert Treado

Albert Treado, Principal

Life may be likened to your passage through a large room into which you enter and from which you leave without your consent.

As you pass through you mingle with multitudes of people whom you must understand; their problems of social adjustment, (social studies), of protection of their rights (law and order), their objects (Science) and places they live (geography).

Education is your travel guide which will benefit you to the extent you use it. It presents to you a challenge, and from its wise use, many rewards.

"A teacher who can arouse a feeling for one single good action, for one single good deed, accomplishes more than he who fills our memory with rows on rows of natural objects, classified with name and form---Van Goethe"

"Our Tribute"---

The members of the graduating class of 1963 feel greatly indebted to Mr. Angelo Bettiga who has steadily guided us through one of the most important years of our lives. Mr. Bettiga has served as an important influence in the lives of every person who has had the privilege of coming in contact with him. We have always found him to be a true friend both as a teacher and as our class advisor. So on the eve of our departure when we all take our separate paths in life may we say, "Thank you, may you find the happiness and enjoyment in your retirement that you so richly deserve. Kingsford High School will always be a better place because of your service here.

The Future Homemakers of America, under the leadership of Mrs. Jean Cummings, includes in its membership those girls who have had at least a year of homemaking and who desire to attain a better life through improved home conditions.

Its purposes are: to promote a growing appreciation of the joys and satisfactions of homemaking, to emphasize the importance of worthy home and community life, to work for good home and family life for all, to promote international good will, to provide wholesome individual and group recreation, and to further interest in home economics.

OFFICERS and ADVISOR

Margaret Samsa, Treasurer; Mr. Johnson; Lenore Carlson, President; Diane VanVliet, Secretary; Sue La Liberte, Vice-President.

Under the supervision of their new advisor, Mr. Peter Johnson, the Dramatics Club put on plays for the public's entertainment. The performances may have lacked professional flavor, but the memories of rehearsals, dress rehearsals, props, and make-up associated with them, will linger.

Photo Club

Membership in this organization proved a valuable experience for the shutter bugs of K.H.S. In addition to the memories of their varied experiences, they learned many skills. With the aid of their advisor, Mr. Orland Johnson, the members worked hard getting pictures for the Flash and Annual.

"Your pep! You've got it, now keep it; dog-gone it, don't lose it! Your pep!" has been the constant plea of the pep club. Fulfilling this goal and decorating for the sport's banquets, with Mrs. Kathryn Douglas's aid, has kept them active through the year.

"Vicky" makes notes while Ann counters a point.

The Debate team, under the direction and guidance of its new debate coach, Mr. Dale Blichmann, participated in several debate tournaments throughout the year. The topic discussed was: "Resolve: That the United States should join in forming a common market in the Western Hemisphere." Participation in this activity provided both interesting and educational. Effective training was received in the areas of public speaking and logical reason.

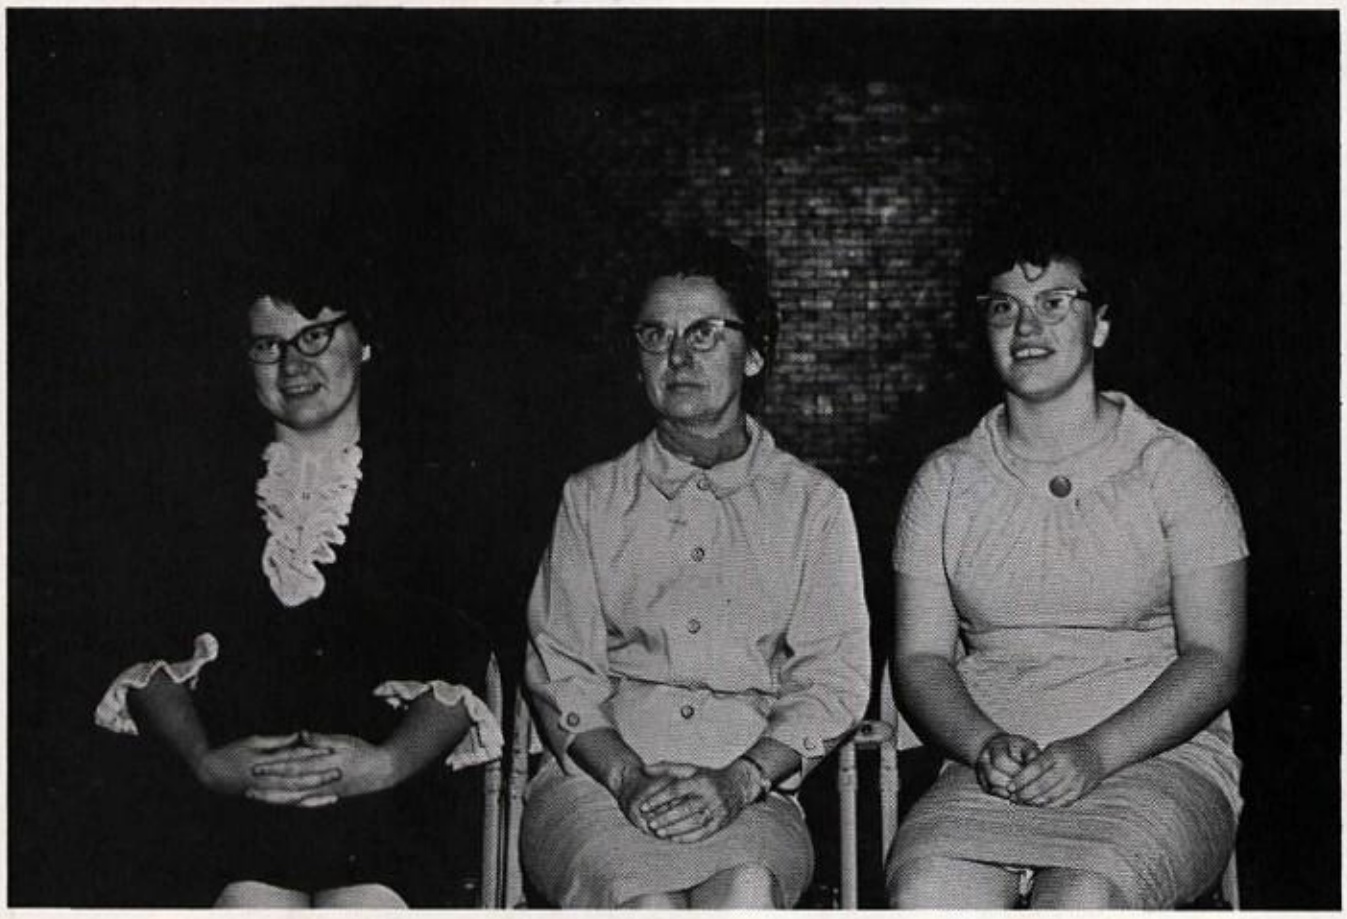
OFFICERS and ADVISOR



Susan Laws, Vice-President; Mrs. McCarthy; Vicky Oliver, Secretary-Treasurer; Missing - Jean Gibson, President.

Without doubt, one of our busiest organizations is the Student Librarians. Mrs. Ruth McCarthy is assisted by the boys and girls to keep the library operating smoothly, help with circulation and create colorful murals. One job they all enjoy very much is the Christmas tea put on for all the teachers.

Varsity Cheerleaders

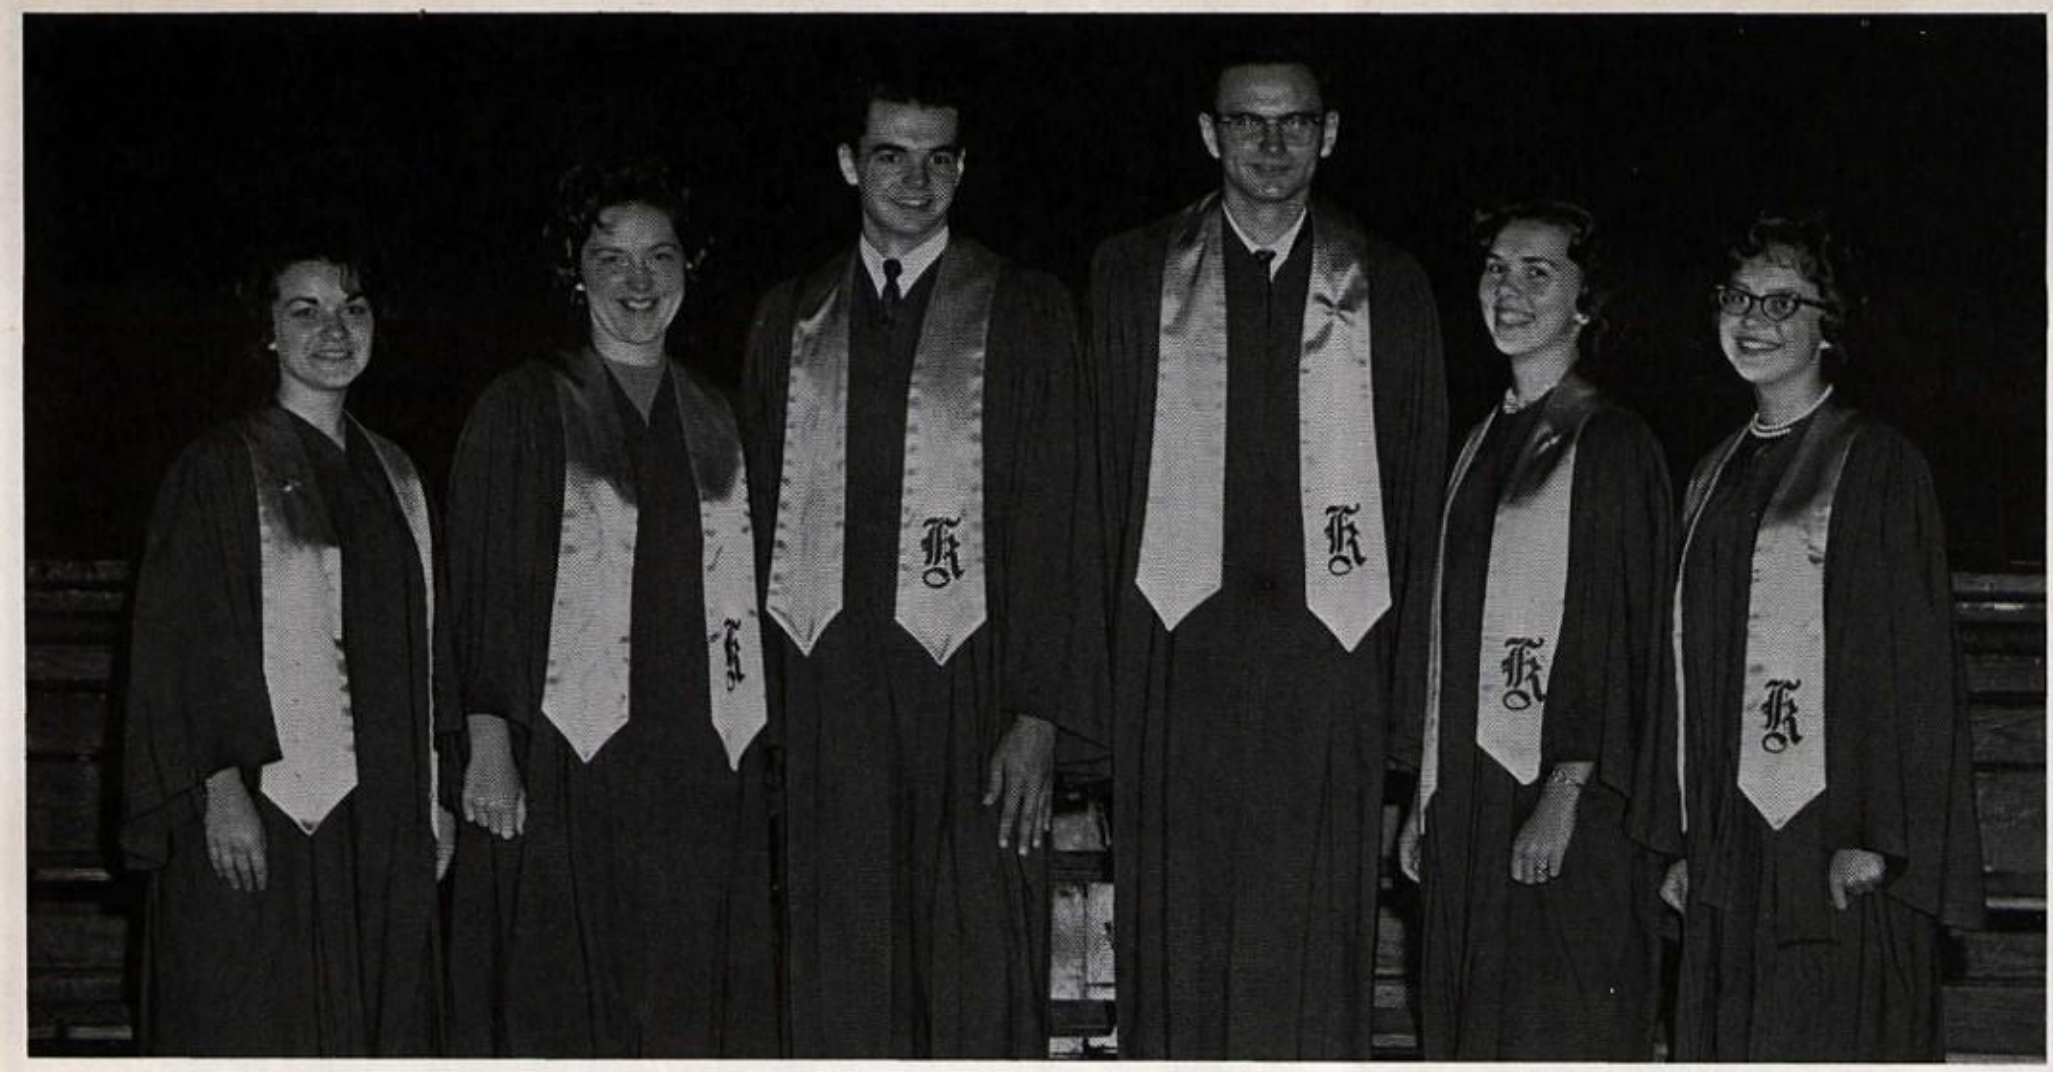
OFFICERS and ADVISOR

Mr. Fiorazo; Dale Larsen, Vice-President; Marcia Wright, Secretary-Treasurer; Mike Pancheri, President.

Pictured second to last among the organizations, but ranking foremost in importance, is the Student Council, our school government. Those who have had the opportunity to serve on the Council, under the guidance of Mr. Arthur Fiorazo, will remember doing so with pride, for it is truly a worthy organization. This organization puts on many of our record hops, but most important is our Homecoming.



National Honor Society

S. LaLiberte, L. Carlson, D. Larson, D. Lee, M. Perkins, C. Miller.

The National Honor Society, because of its high aims, should be the goal of every high school student. Its membership, of course, limited; its requirements: outstanding scholarship, character, leadership, and service.
